NANO ENERGY

2nd International Conference on Nanotechnology, Nanomaterials & Thin Films for Energy Applications

CALL FOR PAPERS & First Announcement

www.nanoenergy.co.uk

1-3 June 2015 | Manchester, UK

Dear Colleagues,

After the success of the first ever standalone NANOSMAT organised "International Conference on Nanotechnology, Nanomaterials & Thin Films for Energy Applications" (NANOENERGY) held at the University College London (UCL) in London, UK - We are pleased to announce the [Second NANOENERGY](#) conference, which will be held in Manchester, UK during 1-3 June 2015.

The 2nd NANOENERGY conference will address the theory, design, research, discovery and development of new materials and nanotechnologies in relation to the field of energy applications (e.g. in energy harvesting, production, storage, transfer and use, etc.). The conference will discuss the state-of-the-art and latest development of nanotechnology, nanomaterials and thin films for energy applications but also investigate possible avenues ahead. High-level experts both from academia and industry will address key issues relating to the topics of this conference. A wide range of disciplines will be included from theory to experiments, device development, technology demonstration, manufacture and scale-up of nanotechnology applied to energy will be covered.

We look forward to seeing you in Manchester for a very exciting, enjoyable and highly productive NANOENERGY conference.

Sincerely,

NANOENERGY Chairmen:

Professor Peter Lund, Aalto University School of Science and Technology, Finland

Professor Jawwad Darr, University College London, UK

The University of Manchester

[Submit Abstract Now!](#)

(Abstract Submission Deadline - 28 February 2015)

Looking forward to receiving your abstracts and for your active participation.

Sincerely,

Mrs Shabana Sidik
NANOENERGY 2015 Office
